HOW TO GET YOUR PHOTO IDs

If you don't have a Highland Creek ID yet, or need a replacement card, now is the time to get it!

Please note the following:

- IDs are taken at the Highland Creek Sports Club office Monday – Friday 8:00am - 8:00pm, Saturday and Sunday 10:00am - 4:00pm.
- Everyone five years and older needs to have an ID card.
- You must bring your closing papers or rental agreement and a picture ID when coming for your first ID card.
- If you move from one house to another within Highland Creek, you must bring your closing papers or lease for the new house so that your address can be updated. Please do not throw away your ID cards from the previous house. The cards will be made active for your new address.
- If you lose your ID and need a replacement, you will need a picture ID and proof of residency such as a utility bill. There is a $10.00 charge for replacement cards.
- Cards do not need to be updated unless you move. If you want to update your child's card there will be a $10.00 charge until such time as they are able to go to the pool on their own (12 yrs. old).
- Your ID card is valid only if Association assessments are paid and up to date.
- ID cards are for residents only. **If you own a home but lease it to someone else, the lessee is entitled to the cards.**
- ***Highland Creek Security has the authority to ask to see proof of residence. Please carry your Highland Creek ID badge with you when using any of the amenities including parks and playgrounds.***

MALLARD CREEK MAVERICKS

What a fall it has been! Mallard Creek High School turned 12 years old this year, and over those twelve years we have grown tremendously. As with every institution, education or corporation, there are ups and downs. I'm so excited to be in a position to lead a tremendous group of coaches. Our coaches work relentlessly for our students and student-athletes, specifically as we have navigated through two hurricanes and the chaos that they caused for us. I can honestly state that not one of our coaches worried. They dealt with it, and stayed the course.

I'm excited to release that our overall Team GPA for the Spring 2018 semester was a 3.55 GPA. This reflects a rise in the overall team GPA. Our goal is to see that continue to rise at the end of the Fall 2018 semester (January). In the area of academic success; I'm pumped to inform you that Karina Mitchell (cross country, basketball, and softball) earned the Elizabeth Murray Scholarship from the Hood Hargett Breakfast Club in September. This is a prestigious scholarship, that is awarded to one senior each month.

On the athletic side: We had a successful fall season. At the time of production, our football team is undefeated, with two games left in the regular season. Our volleyball team earned our school's first ever regular season conference championship. Skyy Howard was named the I-Meck Conference Player of the Year for the second consecutive year, and Stacey Webster was named Coach of the Year. Last night they fell to Panther Creek, out of Cary, in the fourth round of the NCHSAA Playoffs. This is the second consecutive year that they have made it to the fourth round. Cross Country was able to have Michael Lillywhite and Karina Mitchell be named to the I-Meck All-Conference Team. Lillywhite also earned his second consecutive trip to the NCHSAA 4A State Championship Meet.

Winter Sports have begun. I'm excited to see what lies ahead for us. Our Girls' Basketball team looks to repeat as conference champions, as they return four division one college commits. On the boys' side, Jabarr Adams has taken the reigns, and looks to build a winning tradition. Wrestling returns two state qualifiers. They will look to build off of a second round appearance in the state duals. Our swimming and diving team returns the core of their state qualifying relay team, and will look to add to that. The indoor track team is now led by long time assistant Antoine Sanders, and he will continue to develop our athletes as he has for years. Our cheerleading team will also be competing in the NCHSAA State Championships in December. Coach Jackson has worked tirelessly to develop a championship caliber program.

Lastly, many don't understand the challenges that face high school athletics and what it takes to be financially viable. I'd like to thank the following businesses for assisting us this year: Freddy's Frozen Custard and Steakburger, North Charlotte Center for Oral Surgery and Dental Implants, Carolina Center for Oral and Facial Surgery, Bojangles, HWY 55, Firebirds, Selden Orthodontics, BrandRPM, Under Armour, Gatorade, Pepsi, and Life Storage. We are always in need of support for our athletic department. If you are interested please reach out to me at **philipa.davanzo@cms.k12.nc.us**.

Please follow us on social media (twitter and instagram) at: **@mcmavsathletics**.

Ridge Road Middle School Raven Run 5K Run/Walk · 9.29.18 Athletic Booster Club

We want to thank all of our community sponsors, volunteers and participants for making this such a great event! Please mark your calendars for our 2nd Annual Raven Run 5K Run/Walk scheduled for Saturday, September 28, 2019!

ACTIVITIES UPDATE

A Walk in the Woods

A Walk in the Woods was in the Creek this October. They showed some of our little Creek Kids some creepy crawly animals. Bat-O-Ween was a fun and educational program where some of our residents got to learn about different bat species and how they benefit us. They also brought along some of their friends, including a snake, hissing cockroach, mice and a huge tarantula! Spooky!

September Adult BINGO

The Hurricane did not keep the residents away from September Adult BINGO! A fun crowd of new players and loyal BINGO players gathered at the Players Grille for Adult BINGO. Several prizes were given out. Consuelo Souders with Keller Williams Realty gave out $600 in prize money for a very exciting Cover-All round. She also sponsored a surprise round of Last Man Standing. Thank you to everyone who came out for this fun event.

September Movie in the Park

Several residents came out to watch Coco this past September. Free popcorn was served and glow necklaces were given out to the first 50 kids. King of Pops was on site selling their delicious popsicles. The next series of Movie Nights start next May.

College Planning Class

Several Highland Creek Residents came out to learn how to pay for college in our free college planning class "Cash Flow Analysis & Affordable College". Ryan Clark demonstrated how a real family paid 100% of their college education without borrowing one dime. He also showed how a family can use cash flow, tax, debt reduction, college savings and asset management strategies to pay for college. It was a very successful class. Ryan Clark is a bestselling author and Highland Creek resident.

Charlotte's Reading Web "Fall Festival"

Charlotte's Reading Web Fall Festival took place this October. This was an awesome festival that kept little Highland Creek readers and scientists busy all evening! The students participated in hands-on reading games and science projects. One of the hands-on science projects included making slime. The kids worked on their knowledge of letters, sounds, and sight words through reading games such as BINGO, Musical Chairs, and the "Tricky Spider." This fun class also allowed the parents of these little readers to have a fun night off while their little ones were busy.

Casino Night

Highland Creek's annual Casino Night brought out a lot of high rollers and big winners! Upon arrival, residents were given fans to attach to their cell phones to keep them cool throughout the evening, sponsored by Consuelo and Brian Souders. The DJ played music throughout the night and gave out door prizes every 30 minutes. Appetizers were served, and the bar was open! While playing Craps, Roulette and Black Jack residents won some pretty amazing prizes, and everyone went home with a smile. The event was very exciting thanks to a weekend getaway to Vegas and "The Money Vault" - two of the prizes sponsored by Consuelo and Brian Souders! The evening ended with all enjoying a delicious dessert sponsored by Team Heidi Hines.

Thank you to our sponsors for the evening: Consuelo Souders & Company, Keller Williams Realty and Brian Souders, Supreme Lending (Vegas Trip, Money Vault); VLUXE Signature Spa ($100 gift card); Team Heidi Hines (dessert); Carolina Ale House (gift cards); Texas Roadhouse (gift cards); Sport Clips (gift cards) and Highland Creek Golf Club (rounds of golf).

Mini Photography Sessions

Several Highland Creek families had the opportunity to get their pictures taken with backdrops and outside. Some focused on holiday cards and others brought their cute pets to be a part of their family photos. Congratulations to the Knisley Family for being our front cover winner! Thank you to Lisa Crates for all of the great pictures.

We are the Knisley family! Each of us are die-hard fans of the team we were born into. Yes, this does make things quite interesting at our house during football season, but we try our best to have fun with it! We would like to give a big shout out to our teams - Go Vikings! Go Eagles! Go Panthers! Go Broncos!

From our crazy football family to yours, we wish you all a very happy holiday season with nothing but touchdowns!

Harvest Festival/Chili Cook-Off

The annual Harvest Festival and Chili Cook Off was a huge success this year. Many residents came out to enjoy the food and festivities, which included pony rides!

There were lots of kids, adults and families in fun and creative costumes. Several kids registered for the costume contest giving our judges a difficult task of choosing the winners. O'Connor Insurance gave away trick or treat bags to all of the kids. They also had a giant pumpkin weighing in at 24.8 pounds. Kids got to guess the weight of the pumpkin. Congratulations to Jake Wozniak for guessing 25 pounds! In honor of Fire Safety month they also raffled a Kindle Fire. Congratulations to the winner, Tayseer Alshayeb.

The Hot Dog eating contest was sponsored by Brian Souders with Supreme Lending. Six contestants were given five hot dogs in buns. The first one to eat all of them won the $50 gift card and the hot dog hat! A huge crowd gathered around to watch Ryan Maynard win the contest with a time of one minute, 36 seconds!

The beautiful cool day was perfect for the Chili Cook Off. Eight teams dished out their own special chili recipes to over 200 residents. Time to Think About Year-End Investment Moves

...submitted by Daniel Haller

We've still got a couple of months left in 2018, but it's not too soon to start thinking about some year-end investment moves that might benefit you. Here are a few possibilities (although not all will apply to your situation):

- ***Add to your IRA***. For the 2018 tax year, you can put up to $5,500 into your traditional or Roth IRA (assuming you are eligible), or $6,500 if you're 50 or older. If you haven't reached this limit, consider adding some money. You have until April 15, 2019, to contribute to your IRA for 2018, but why wait until the last minute?

- ***Increase your 401(k) contributions.*** You already may be investing in your 401(k) or similar employer-sponsored retirement plan, but you might be able to bump up your contributions for the rest of the year, if it's allowed. Of course, you should always put in enough to earn your employer's matching contribution, if one is offered.

- ***Take your RMDs.*** If you are 70½ or older, you must start taking withdrawals – called required minimum distributions, or RMDs – from your traditional IRA and your 401(k) or similar retirement plan. Generally, you must take these RMDs by December 31st every year. But if you turned 70½ in 2018, you can wait until April 1, 2019, until you take your first RMD. However, you will then have to take a second RMD (the one for age 71) by December 31, 2019. Taking two RMDs in one year could give you an unexpectedly large taxable income for the year, possibly bumping you into a higher tax bracket and affecting the amount of your Social Security benefits subject to taxes. So, if you are considering delaying your first RMD, consult with your tax advisor.

- ***Make changes in response to life events.*** In 2018, did you experience a major life event, such as a marriage, divorce or addition of a child? Or did you change jobs or retire? Any of these events could lead you to adjust your investment plans, so now may be the time to do so, possibly with the help of a financial professional.

- ***Review your investment mix.*** At least once a year, it's a good idea to review your investment mix to ensure it's still suitable for your goals and risk tolerance. Sometimes, even without your taking any action, your portfolio might change in ways you hadn't expected. For example, suppose you wanted your portfolio to contain 60% stocks and 40% bonds and other investments. After a period of rising prices, though, the value of your stocks may have increased so much that they now occupy 65% of your portfolio – which means you may be taking on more risk than you had originally intended. Consequently, you may need to rebalance your portfolio to get back to your original 60% to 40% ratios. (Keep in mind that these figures are just for illustration; everyone's ideal portfolio mix will depend on their individual situations.) These aren't the only year-end moves you may want to consider, but they can help you close out 2018 on a positive note. Plus, they can serve as a reminder that you need to be vigilant as you keep working toward your financial goals.

Dark Chocolate Candy Cane Cookies

from livforcake.com

2 cups all-purpose flour
1/4 cup Dutch-processed cocoa powder, sifted
1/4 cup black cocoa powder sifted
1 tsp baking soda
1/2 tsp sea salt
1 cup unsalted butter room temperature
1/2 cup granulated sugar
1 cup light-brown sugar packed
2 large eggs room temperature
1 tsp peppermint extract, optional
1 bag Bright White Candy Melts or white chocolate, melted*
vegetable shortening as needed to thin candy melts
crushed candy canes

In a medium bowl, whisk together flour, cocoa powders, baking soda, and salt. Set aside. In the bowl of a stand mixer, beat butter and sugars on med-high until light and fluffy (approx. 2-3mins). Reduce speed and add egg and peppermint extract. Beat until well combined. Add flour mixture and mix until just combined. Chill dough for at least 1 hour or overnight.

Preheat oven to 350°F and line baking sheets with parchment paper or silicone mats. Using a medium cookie scoop, portion dough onto baking sheet (approx. 9 cookies per sheet). Bake for approximately 10 mins, or until the middle is set. Cookies will deflate and crinkle a bit upon cooling. Cool on pans for 5 mins then transfer to a wire rack to cool completely. Dip in melted candy melts or white chocolate, place on a parchment lined baking sheet and sprinkle with crushed candy canes. Allow to set.

Christmas Funfetti Cake Batter Truffles

from laurenslatest.com

1 cup white cake mix
1/2 cup all purpose flour
1/2 cup granulated sugar
1/4 cup butter melted
1/2 teaspoon vanilla
2 tablespoons milk
1 tablespoon Christmas sprinkles + more for decoration
1 1/2 cups white chocolate chips or vanilla almond bark

In a large bowl, whisk cake mix, flour and sugar. Stir in melted butter, vanilla, milk and sprinkles. Mixture should be moist and be able to hold its shape easily when formed. Using a cookie scoop, form mixture into even balls and refrigerate 20-30 minutes.

In the mean time, melt chocolate in a double boiler or slowly in the microwave. Using a fork, drop one of the cake batter truffles into the chocolate and roll around to coat. Tap off the excess gently and transfer to cookie sheet lined with wax paper. Top with more sprinkles, if desired.

Amazingly Delicious Toffee

from theyummylife.com

1 cup unblanched (skin on) whole almonds
1 cup salted butter
1 cup sugar
1/4 teaspoon salt
1/2 teaspoon vanilla
1 (12 oz.) package milk chocolate chips (2 cups)
1/4 cup finely chopped pecans

Toast almonds by spreading them in a single layer on a plate and microwaving on high for 2-3 minutes (stir after each minute). On foil-lined baking sheet, arrange almonds in a single layer over an area measuring approx. 13×9 inches. In a heavy 2-quart saucepan combine butter, sugar, vanilla, and salt. Cook over med-high heat, stirring constantly with a clean, dry wooden spoon until butter is melted. Continue cooking and stirring for approx. 7-10 min. till candy is the color of the brown skin of the almonds; it will start smoking slightly. Immediately pour candy, without scraping pan, over almonds, covering all nuts. Sprinkle chocolate chips evenly over the hot candy. Wait 1 minute and spread the melted chocolate until it is smooth. Sprinkle with pecans. Let cool and break into pieces. Store in a tightly covered container in cool place or refrigerator.

Another Great review from one of our many satisfied customers.
Check out all of our reviews online at, Angie's list.com

★★★★★Listen - save the hassle, check out their website, give the team a call and have some piece of mind. We got new granite countertops from the first phone call to installation in about 3 weeks. We didn't find any companies in the area with the same quality of granite, selection of colors, and prices. I wouldn't want to work with anyone else on my kitchen. Trust me.
