

Did you know that plastic lawn bags are NOT recyclable?! Billions of plastic bags are unnecessarily going into our landfills across the country each year. That's right, this plastic film goes directly into the landfill and it cannot be broken down for recycling use!

Leaf Burrito® is an amazing TOOL for making collection and transportation of yard debris incredibly FAST, EASY, SAFE and MANAGEABLE!

4+ Lawn & Leaf bags fit in a Leaf Burrito! Three 40 gallon bags and contents of a trash can fit into the Leaf Burrito shown with room to spare!

Leave the bag at the curb and Charlotte Solid Waste Services will empty the burrito and leave it in your yard just like normal garbage cans!

Fold the bag up and it can be easily placed in your garage.

If you are interested in a great product that is **EASIER TO USE**, looks better and eliminates plastic yard debris bags from going into our landfills, then check out [www.leafburrito.com](http://www.leafburrito.com). Highland Creek logo Leaf Burrito bags also help promote our neighborhood!

We have a limited number of Leaf Burritos available for purchase at the Sports Club. The cost is \$79. Check or credit card accepted. **There is no fee on this item for using a credit card.**

When Highland Creek residents order bags online and want a logo version, they will need to enter 'HIGHLAND' as the code. Once Leaf Burrito has received orders for at least 10 bags they will print them in batches. Using the 'HIGHLAND' code will also save shipping costs as they will be delivered to the Sports Club for pickup!

If you don't want to wait for a logo version you don't have to, you can simply place an order on the website without using the 'HIGHLAND' coupon code and the order can be shipped directly to you at the standard rates.
