

Security Committee Responsibility

Our Mission:

We will work together to maintain the safety of our neighborhood blocks, common areas, and entire community environment through education, communication, and the use of community resources. We are dedicated to the enforcement of laws and community covenants for the benefit and safety of all residents.

Charges for the Security Committee Member

Each SECURITY COMMITTEE MEMBER must agree that all information learned or discussed at a meeting of the Security Committee on Highland Creek is privileged and confidential, and I acknowledge that such matters are not to be publicly discussed until such information becomes part of the Association's public records (minutes of the meeting distributed).

Charges for the Security Committee

The committee is responsible for protecting the Association's property and assisting residents while keeping within the Highland Creek CCR's. The committee members are residents who volunteer their time and are very concerned with ensuring that Highland Creek safety and security guidelines are enforced.

This committee is responsible for starting and coordinating the Neighborhood Watch Program in the neighborhoods of Highland Creek, in addition to dealing with important issues working with Highland Creek Security services and with the CMPD & Concord PD to address other safety concerns such as traffic flow, speed enforcement, or other civil issues.

Rules and Regulations Committee

The Security Committee will work under the direction of the Highland Creek HOA Board.

Membership in this committee will be limited to residents in good standing.
