Non-resident camp policy:

Non-residents may register for camp after May 15th **only if attending as a guest with an HC resident**. One non-resident guest per resident permitted.

Inclement Weather Policies:

Sport-related camps are outdoor camps. Camp instructors provide ample water breaks, and some camps will include swimming. It is the parent/guardian responsibility to apply sunblock on your child prior to arriving at camp each morning. In addition, it is important to supply your child with enough cold, drinking water for the entire duration of the camp each day.

Cancellation of a camp due to inclement weather (heat, rain, etc.) is determined at the discretion of the camp instructor. A decision/policy by the instructor will be given to parents on first day of camp.

Should camp be cancelled due to inclement weather it is up to the instructor to provide an alternate date or pro-rate the camp. If an alternate date is offered, then a pro-rate will not be an option, even if the camper is unable to attend.
