## **COLLEGE IS LIKE AN INVESTMENT**

Our belief is that a college degree can be a valuable investment, provided it is approached correctly.

Similar to investing in stocks or bonds, there is potential for both good and bad outcomes.

### **What we'll cover:**

- Is it possible to attend a PRIVATE COLLEGE for a Public College Price!!!
- How to pick the right schools to give you the best financial aid packages.
- How the U.S. Dept. of Education calculates your Expected Family Contribution (EFC).
- How to lower your "out-of-pocket" cost and get the max amount of financial aid.
- How to help students decide which colleges to apply to.
- What do the more selective colleges really want to see in your student's application?
- How to help students decide which colleges to apply to.
- We will provide a detailed timeline for success.
- Plan for a full hour; we'll use every minute of class time...and bring your student!
