Non-resident Camp Policy:

Non-residents may register for camp **starting on April 1st.**

Weather Policies:

Sport-related camps are outdoor camps. Camp instructors provide ample water breaks, and some camps will include swimming. It is the parent/guardian's responsibility to apply sunblock. In addition, it is important to supply enough cold drinking water to last the duration of the camp each day.

Cancellation of a camp due to inclement weather (heat, rain, etc.) is determined at the discretion of the camp instructor. Should the camp be canceled due to inclement weather, it is up to the instructor to provide an alternate date or pro-rate the camp. If an alternate camp date is offered a pro-rate will not be given, even if the camper cannot attend the alternate date.

Late Fee Policy:

Do not drop your child off more than ten minutes before the start of camp. You may be subject to a late fee if you are late picking up your child. If late fees are not paid, you will not be allowed to participate in future Highland Creek camps.
